<u>Student Comments:</u>

- Required readings, assignments, and exams were clearly outlined, and whenever there was a change in the syllabus, Professor Junqueira was quick to send out an announcement to the class letting us know about it.

Student Comments:

- Feedback itself was great, but just a note: I'm not sure if it's my computer or the server you're using but the feedback left on our discussion papers isn't always visible! It cuts off at some point. I'm not sure if there's a way you can fix that or another software you can use, but that feedback really helps us out! Also, thank you so much for taking our feedback as a class when it comes to the course material we submit and adjusting your grading, it really helps us out!
